

Innovation Awards

International Award

Your innovation may be suitable for this award if it has existing channels in more than two international markets.

This award recognises global leaders in agricultural innovation and offers the benefit of exposure to the many international visitors to Fieldays. Entries from as far afield as Russia and the UK compete for this coveted award.

The International Innovation Award is designed to recognise agribusiness innovations that are launched in New Zealand and globally.

Criteria

- Your innovation must be applied in the agricultural sector
- Your innovation must have been launched after Fieldays 2017 or is to be launched at Fieldays 2019
- Due to testing limitations at Fieldays, liquid based innovations will be considered on a case by case basis

Entry Fee

To enter your innovation into the International category, there is a \$935.00 +GST entry fee per innovation which includes a site in the Fieldays Innovation Centre. If you already have a confirmed site booked elsewhere at Fieldays, your entry fee is \$590.00 + GST which does **not** include a site in the Fieldays Innovation Centre.
